Rules of the contest

Rule 1

The organisers reserve the right to reject any work submitted for this contest

Rule 2

The organisers do not take responsibility for any theft or damages to models exhibited during the contest

Rule 3

The organisers reserve the right to photograph, publish and utilise the various images of the models exhibited during the contest, for future CMT promotions and communications

Rule 4

There are not restrictions to the number of models submitted by each participant in any category listed within the contest

Rule 5

By signing the registration form participants accept all rules listed here

Rule 6

The models that were submitted to previous CMT events can only be submitted to the three themed contests (for more info see rule 7)

Rule 7

In the PANZER TIGER contest all iterations in the evolution of the vehicle and use scenarios are welcome

In the LANCIA CARS IN MOTORSPORT contest racing vehicles from any period are welcome

In the PANAVIA TORNADO contest any versions of the aircraft from airforces worldwide are welcome

Rule 8

Die-Cast models cannot be accepted
